

CATHETERIZATION LABORATORY OWNERSHIP DISCLOSURE

Federal regulations require physicians to provide written notification to each patient prior to referring the individual to a health care entity in which the physician has a financial interest for catheterization services.

Physician ownership interests in commercial ventures can provide important benefits in patient care. Physicians are free to enter lawful relationships including acquisition of ownership interests in health facilities or equipment. As a part of our commitment to provide the highest quality patient care with compassion and dignity, serve the needs of colleagues, referring physicians and staff in an ethical, high quality, cost-effective manner, the physicians of CCC have a financial interest in the CCC Outpatient Cath Lab, located at 455 Pinellas Street, Suite 280, Clearwater, FL 33756.

CCC supports the Patient Bill of Rights that includes your right to make informed decisions about your plan of care before, during and after treatment. Patients have always had choice to obtain medical services elsewhere and to be assured that by doing so they will not be treated any differently. We are bound by the conditions of our contracts with insurance companies to refer only to an "in-network" provider. You, as a patient, are always free to choose another; however, you may not receive the same insurance coverage as you would have with an "in-network" provider.

CCC is committed to open communication and respect for personal choice in order to provide the best possible patient care. Patients are encouraged and entitled to discuss and request information about specific procedures, treatments, risks involved, medically reasonable alternatives, etc.

If you are interested in obtaining your Catheterization at a facility other than CCC, a list of Catheterization Laboratories located within 25 miles of the CCC facility is as follows:

- Morton Plant Hospital - 300 Pinellas St, Clearwater
- Mease Countryside Hospital - 3231 McMullen Booth Rd, Safety Harbor
