October 11, 2021

To our Medicare Advantage plan patients,

For over 46 years Clearwater Cardiovascular Consultants (CCC) has been proud to serve the cardiovascular care needs of our Medicare patients and we hope to have the privilege of serving you well into the future.

The 2022 Medicare open enrollment begins on October 15, 2021. The marketing information for Medicare Advantage plans can be confusing which may make it difficult for you to determine the plans with which we participate. As many of our patients have chosen to participate in Medicare Advantage plans we want to make you aware of the plans with which CCC will participate in 2022.

Our practice continues to participate with traditional Medicare and all Medicare supplement plans. The following is a list of 2022 Medicare Advantage plans with which physicians of CCC **WILL** participate:

- All AARP Medicare Advantage Plans underwritten by UnitedHealthcare
- All Aetna and Coventry Medicare Plans
- All BayCarePlus Health Plans
- All BlueMedicare Plans
- All Devoted Health Plans
- All Freedom Health, Inc. Medicare Plans
- All Humana Plans (Choice, Gold Plus, Gold Choice)
- All Optimum HealthCare, Inc. Medicare Plans

WE WILL NOT be participating in the following 2022 Medicare Advantage plans:

- All Ultimate Health Plans
- All Carefree/CareOne/CarePlus Health Plans
- All CIGNA Health Plans
- All Lasso Health Plans
- All Molina Health Plans
- All Simply Healthcare Plans
- All Wellcare Health Plans

If you have any questions about CCC's Medicare Advantage plan participation please contact our offices at the numbers listed below. Thank you for the privilege of providing your cardiovascular care.
